Son P.R. Richard A. Ferraro

I am writing you today in reference to my personal representative status Executor status in the state of New York (enclosed raised seal copy) recently received from the Honorable Justice Hummel of New York. Enclosed in addition court documents I am requesting that my blind father Donald J. Keeler son of Wilbert R. Keeler a holder from 1910 to 1947 (information contained herein) was a manager in The firm of J.S. Bache & Co. as well as his wife (grandmother deceased 1968) Ms. Wilbert Richards Keeler aka Mrs. Alice Charlotte Keeler secretary to the J.S. Bache Co. of Troy, NY, Chicago, London & New York, New York respectfully.

I request that a pre-se suit to be performed in my family's name estate of Joyce B. Keeler as I am the Son of Donald J. & Joyce B. Keeler as & I, Grandson of Wilbert Richards Keeler my fathers, father a Broker of Troy, New York. Two World wars. It has been asked of me to go forward also in time with your understanding that my father being blind and limited interest to perform and left as a possible unrecognised "foundation to the industry" as an investor his brother failed to disclose Holman his fathers 1951 death the older broker to the court. I was to be the next of kin to follow up the family relationships in business.

Donald & Joyce only made requests of agent relations to exercise/splits small amounts of dividends to retain & attain minor reflected stakeholder relationship for non-taxable dividends recordable interests over decades. *DONALD HAS NOT RECEIVED HIS 1/3 STOCK A.D!*

Donald and Joyce rec'd a pendency suit from Jericho, NY rec'd and filed without adequate response to date. Two such claim numbers exist for Joyce one sent during the term between Donald's death and her own in showing estate of Donald J Keeler 2006' with her appointment in NY to do so. wrote twice to the Berdon Claims LLC in reference to this matter that not enough common stock was unrecorded and she was in a "work in progress" to attain her deceased husbands net worth with "holding in trust" family Administration due to his blindness.

Holman's atty. Robert Van Vrankin 227 Kingsley Road Burnt Hills NY States as recent communications relay that I am not a beneficiary I have been appointed late in the death of my father the ability to achieve administrative authorization only in the past 6 months To which full compliance of communications from Robert VanVrankin have been similar In uninformed, disoriented and pompous as the POA in his mis-administration activities.

The court has recently appointed you to act as a fiduciary for the estate of the decedent named above. This letter is not your "Letter of Appointment". It is sent to help you during this difficult time and to advise you of some of your obligations, some of which may have to be met within a limited period of time as prescribed by law.

You are to collect all of the assets of the estate and keep an accurate record of them, including any income received. It will also be necessary to keep an accurate record of all expenditures. You need to determine whether any estate taxes will be due, and if so, pay them on time. You may wish to seek professional advice with regard to these duties.

An inventory of assets must be filed with the court within six months of the date of your appointment, or nine months from the date of death where an estate tax return will be filed.

The decedent's creditors have at least seven months to file claims for debts of the decedent. No distribution of assets should be made to beneficiaries until you have paid or set aside sufficient funds to pay administration expenses, taxes, and claims.

It may be necessary to file a personal income tax return for the decedent for the year in which he or she died. It also may be necessary or advisable for you to file fiduciary income tax returns for the estate and you may need to seek professional help in the preparation of income tax returns.

If limitations have been placed on your Letters, you must abide by those limitations or risk possible sanctions by the court.

The purpose of this letter is to acquaint you with some of your responsibilities as a fiduciary. Please consult with your attorney to ensure that you fulfill your obligations.

Very truly yours,

A handwritten signature in dark ink that reads "Paul V. Morgan, Jr.".

Re: Keeler estate matters

Dear Richard:

As we have discussed previously, it appears that the next step concerning the estate of your father, Donald Keeler, in New York State is to seek to have you appointed Executor for that estate in replacement of your deceased mother. The papers you have sent me indicate that Kevin Caslin, Esquire is working on that.

As you know, I cannot proceed on your behalf in Rensselaer County Surrogate's Court while Mr. Caslin is representing you there. Therefore you will have to either: 1) wait for Mr. Caslin to complete this task, or 2) send Mr. Caslin a letter discharging him from further activities on your behalf.

I continue to believe that the first alternative is the wiser, since Mr. Caslin seems to be near completion of this task. Further, the retainer you provided me last November has been exhausted. If I am to proceed on this task, you will need to replenish that retainer in the amount of \$1000.00.

Additionally, I should remind you that the terms of our engagement do not include pursuit of stock that may have been held by Alice and Wilbert Keeler from 1910-1947. That is another set of issues entirely.

Please advise me on how you are planning to proceed.

Sincerely,

Douglas A. Eldridge
